We, the Senior Class of 1955, have published this, the twenty-fifth anniversary edition of THE FLASH, in order that we may show the progress of our school during the past twenty-five years, that we may preserve the memories of our high school careers, and that we may tell in pictures the story of our varied experiences. We trust that our readers will be impressed with our progress and be grateful to those who have made possible our advancement in the field of education.

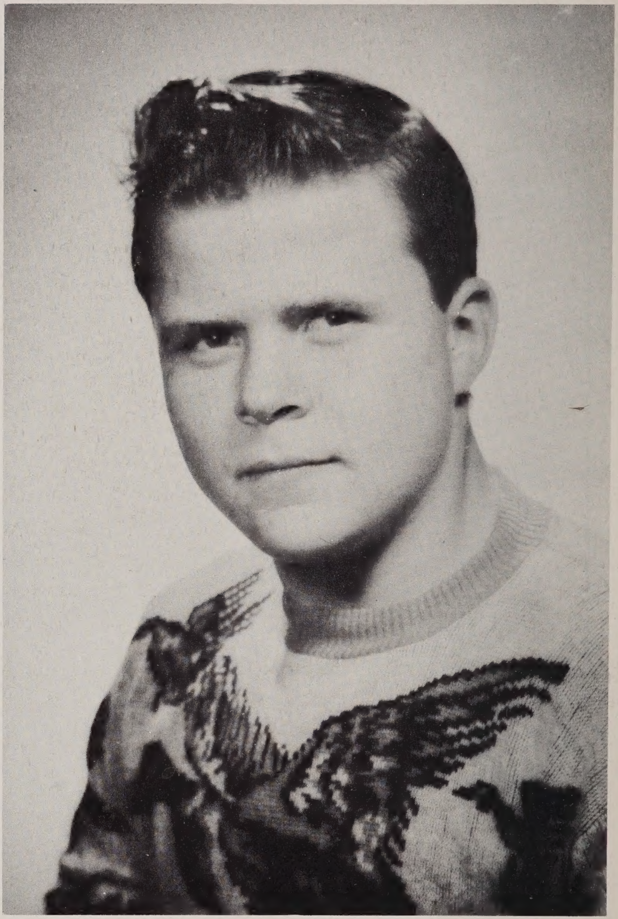
Dedication

1930
1955

To the Alumni of Brentsville District High School, many of whom are our parents, we, the class of 1955, dedicate this twenty-fifth anniversary edition of THE FLASH.

"As we tread her ivy portals
Truth and faith arise,
We will lift our faces gently
Upward to the skies."

In Memoriam



We, the Seniors of Brentsville District High School, record the passing of our classmate, Stewart William Smith, on May 3, 1952, in this our book of memories. Stewart was born on February 1, 1936, and died as a result of a farm accident; thereby leaving his sorrowing classmates who recall today at the time of their graduation one who is still with them in spirit.

We, his classmates, have been brought into a closer communion with God through the sad experience of Stewart's going, and yet his life may be an inspiration to those with whom he lives in memory.

Stuart M. Beville, Superintendent of Prince William County Schools, took office September 1, 1954. During his short time as head of our public schools, he has demonstrated his ability as an administrator and organizer. His sympathetic attitude and warm personality have won for him many friends in Prince William County.

VIRGINIA
TEACHER'S REGISTER

Mr. D. C. Link, principal of the Brentsville District High School, has been with us as advisor and friend since 1950. Through his numerous and untiring efforts in our behalf, many improvements have been secured for our school and its teachers. Our community has found in him a tireless worker for its betterment and a man who has earned the respect and admiration of all with whom he has come into contact.

It seems like old times to be writing something for "The Flash." I am certainly grateful to the staff for this honor and opportunity. I regard my eighteen years at B.D.H. as the high point of my thirty-nine years in education. I would like to say "Hello" to every pupil and alumni and ask you to write me at

1225 Peach Ave., South Boston, Virginia.

Sincerely,

Custodians

Mr. Eddie Nelson and Mr. Eddie Batschelet discuss the new boiler in the furnace room of the high school building. Both of these gentlemen are always willing to help those in need. The students and faculty are most grateful for all of their kindnesses and their consideration. The "Eddies" may grow tired of all the requests that impose upon their time, but they never complain.

Bus Drivers

School is out. Bus drivers, Mr. George Herring, Mr. Bobby Caton, Mr. L. J. Bowman, Mr. Raleigh Nelson and Mr. Donald Green are ready to transport the youngsters home. These drivers have a record of no serious accidents in many years of service to the school. The community appreciates their loyal and capable bus drivers.

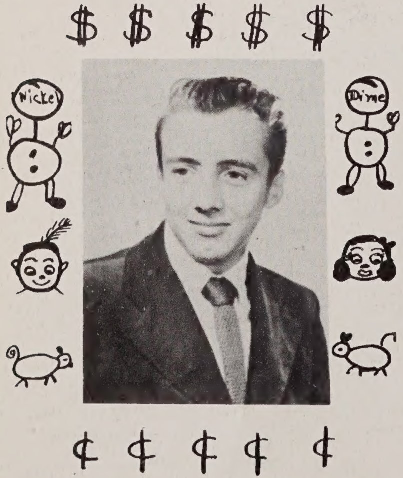
Mary Newland was scholastically second highest in the class of 1955. Her special interest was publications. She directed the newspaper staff as a junior and the yearbook staff as a senior. No task was too insignificant or too big for Mary if she were extending a helping hand. "Service" was her motto. A good organizer and a capable leader, Mary was voted best-all-around by her classmates.

Nelson Bradshaw had many and varied talents. He had original ideas, artistic ability, leadership qualities and enthusiasm. He held offices in the Athletic Association, the Federation Senate, Glee Club, and Student Government; he worked on both publications and took leading roles in both class plays. As president of the Senior Class, he represented his fellow students well.

Leonard Wright was the sports enthusiast of the class of '55. Basketball, baseball, football, softball, track, Leonard piled up a record of four years in each. He also headed the student council for two terms and served as president of the F. F. A. Glee club and band received much of his time as well. Businesslike and popular, Leonard was a leader in his school.

Joan Payne was intensely interested in F. H. A. As member, parliamentarian, reporter, vice-president and president, she led the Future Homemakers "toward new horizons." Active also in student government and a faithful worker on publications, Joan won an enviable place in the hearts of her fellow workers.



Dorothy Marshall, valedictorian of the class of 1955, was most interested in the field of music. She attended All State Band for two years, was student director of the local band, pianist for the S. C. A., and active in Glee Club work. Though Dorothy favored music, she did not neglect other fields of endeavor. Cooperative, busy, varied in interest, Dorothy was voted most likely to succeed.
